

# *Girlz Group 2017*

*WHO: All Girls in grades 5, 6, and 7.*

*WHAT: A chance for girls to make connections with other girls in a welcoming, safe, fun environment. Each day we will be doing a fun game, and then we'll have a snack and some good discussions. After that we'll do a cool activity before it's time to go home!*

*WHEN: The first Tuesday of each month from 3:30 – 5:30pm.*

*WHERE: Golden Women's Resource Centre, 419 9 Ave South  
250-344-5317.*

*\*How to get there...Students from Nicholson Elementary will need to arrange a ride, students from Lady Grey Elementary can meet Melissa or Shyanne at the school lobby and walk over as a group.*

*WHY: To hang out with other girls in a fun environment and build stronger friendships. It is important for girls to build each other up and support each other! Also, having Melissa and Shyanne there to talk to and ask questions can be really helpful with solving problems and learning new things.  
Girlz Group will be facilitated by:*

*Melissa Miller – Golden Youth Network and Girlz Group Coordinator  
Shyanne Hood – Golden Women's Resource Centre Girlz Group Leader*

*Girlz Group is funded by The Golden Women's Resource Centre*

***Psst...Parents**, sometimes the girls ask "sensitive topic" type of questions. The Golden Women's Resource Centre's staff believe that answering these questions honestly and without bias is appropriate to the GWRC mission and vision statement. Please be advised if your daughter is part of the Girlz Group program she may hear some 'grown up' information.  
If you have any questions or concerns please feel free to contact:*
